**WARRANTY:** 12 months on material. Lifetime on stitching. 24-hour turnaround service (from time of arrival at service centre).

### NINEPLUS Long John

**DESIGN FEATURES:** Nineplus has been working on new models to produce a product that will become a leader in wetsuit market, as well as remaining true to our styler of keeping it black and simple, yet comfortable and functional. The main change has been the change from Yamamoto to the newly developed "limestone" based neoprene. The neoprene has been changed from a smooth skin to a sharkskin to increase durability. It is virtually tearproof whilst retaining use of smooth skin for warmth qualities. This suit is great for when the water is chilly and the sun is warm. A good mid-season suit.

**STITCHING:** Liquid seal seams, and taping on joints.

**NEOPRENE:** Limestone.

**COLOURS:** Black.

**SIZES:** S-XXL.

**RRP:** \$330

**WARRANTY:** Two years

### NINEPLUS Lotus Steamer

**DESIGN FEATURES:** Key points on both suits: Inside Batwing panel. Glide ski neck cuff and ankle seal. Fine mesh body panels. Blind stitch, Glued and taped seams. Hidden zippers of the highest grade YKK type - come with "Lifetime" warranty.

**STITCHING:** Liquid seal seams, and taping on joints.

**NEOPRENE:** Limestone.

**COLOURS:** Black

**SIZES:** S-XXL (Women's "Cat Suit" sizes, small to large).

**RRP:** \$440

**WARRANTY:** Two years

### TRIPLE X WETSUITS 2/2mm Mega Stretch 3D Combo Steamer

**DESIGN FEATURES:** The ultimate four-way multi-directional neoprene with closed cell titanium, provides the maximum in comfort, cuts wind chill and reflects body heat, giving you the hottest wetsuit you'll ever wear, without sacrificing quality or your pay packet! Closed Cell Titanium works as a shield against wind chill and creates a layer of heat across your skin, making it effectively warmer than any other wetsuit. 3D Mesh Chest Panel, S Lock Zip with Drainage System, Stress Dot Taping, Tough as Nails Knee Pads, Key Pocket. Unisex Fit. Featured wetsuit is also available in 3/2mm, 4/3 mm and 5/4mm.
